

Text-Dependent Questions

1

Key understanding: Identify the key understandings and insights you want students to learn from the text. (You may use this later to write an essential question.)

2

Build understanding of the meaning: Start with easier questions about what, where, why, and how, to help build understanding of the meaning of the passage.

Primary Example

Retell the story using time sequence words such as *first*, *next*, *then*, & *finally*.

Elementary Example

How does the main character change in the text?

3

Vocabulary and text structure: Craft questions about the most powerful academic words, and text structures (such as cause/effect, problem/solution, compare/contrast, sequence, etc.).

Primary Example

How did the author help us understand what *angle* means?

Elementary Example

What does the word *postal* mean in paragraph three? or Knowing the structure, what can we expect?

4

Author's purpose and point of view: Ask questions to draw the reader's attention to genre, author's purpose, point of view, and multiple perspectives.

Primary Example

Who tells the story?

Elementary Example

Whose point of view do we see? Whose point of view is not represented in the text? or Why does the author write this?

5

Inference questions: Challenge students to examine inferences on ideas or key details/arguments in the text.

Primary Example

What caused the bird to fly away? Why do you think that?

Elementary Example

What can we infer about what really happened to the main character? What evidence in the text supports your claim/ thinking?

6

Opinion and intertextual questions: Have students assert their opinions or make connections to other texts, and support their claims with evidence from the text.

Primary Example

Is Ramona Q's family a loving family? What in the books makes you think that?

Elementary Example

Think about both authors' attitudes towards conservation. Which author do you agree more with? Defend your thinking with evidence from the text.

Guide To Creating Text Dependent Questions For Close Analytic Reading:

Reading to the Core Elaine M. Weber, Cynthia Schofield, 2013-12-27 Close critical and generative reading can be broken down into five key questions that a strategic reader must answer What does the text say How does the author say it What does the text mean What does it mean to me What insights can I now gain In this resource the authors show that insight into these questions is the key to comprehending text The authors provide tools such as mining charts assessments progress monitoring charts and rubrics to strengthen the teaching and use of strategies including guided highlighted reading for craft finding the element of argument in text reading multiple texts for theme and evaluating visual text A culminating chapter provides a blueprint for creating a literacy action plan for classroom school and district that highlights students growth and documents teacher effectiveness

Every Reader a Close Reader Samantha Cleaver, 2015-07-17 Close reading the purposeful focused reading and rereading of text is more than an education buzzword Every Reader a Close Reader defines and unpacks the components of close reading and explores how to apply it within the context of the Common Core State Standards so that every student will be able to implement close reading strategies in class and independently Drawing expertise and ideas from research as well as teachers from across the country Every Reader a Close Reader serves as both an instructional guide and professional development tool for classroom teachers and instructional leaders to use when starting or strengthening close reading at the classroom level In addition this book includes chapters that focus on developing the close reading skills of students who are struggling readers English language learners or gifted learners

Unlocking English Learners' Potential Diane Staehr Fenner, Sydney Snyder, 2017-05-16 Schools are not intentionally equitable places for English learners to achieve but they could be if the right system of support were put in place Diane Staehr Fenner and Sydney Snyder recommend just such a system Not only does it have significant potential for providing fuller access to the core curriculum it also provides a path for teachers to travel as they navigate the individual needs of students and support their learning journeys Douglas Fisher Coauthor of Visible Learning for Literacy A once in a generation text for assisting a new generation of students Content teachers and ESOL teachers take special note if you re looking for a single resource to help your English learners meet the same challenging content standards as their English proficient peers your search is complete Just dip into this toolbox of strategies examples templates and activities from EL authorities Diane Staehr Fenner and Sydney Snyder The best part Unlocking English Learners Potential supports teachers across all levels of experience The question is not if English learners can succeed in today s more rigorous classrooms but how Unlocking English Learners Potential is all about the how How to scaffold ELs instruction across content and grade levels How to promote ELs oral language development and academic language How to help ELs analyze text through close reading and text dependent questions How to build ELs background knowledge How to design and use formative assessment with ELs Along the way you ll build the collaboration advocacy and leadership skills that we all need if we re to fully support our English learners After all
