Long Runs Take the Gold

4 Some people run as a hobby, to get in better shape, or because they enjoy the social aspect of group running. I run for competition. As a cross-country and track athlete, it may not be surprising that the way I got in better shape is primarily by running. However, not all training runs provide the same improvements to my body. To get the most out of my weekly training, my workouts involve a varied mix of runs. They include speed workouts, tempo runs, and long-distance runs. While I like elements of all my training runs, the positive mental effect, known as a runner's high, that I experience only during my long runs is so enjoyable that it makes the long run my favorite type of training run.
