McRae, 2014-01-30 The content of the gospel never changes however communicating it constantly fluctuates Conveying the gospel to a homeless hungry woman may include providing a hot bowl of chili while an agnostic co worker might be open after several rounds of golf The message is the same but the method of communicating it is as wide and varied as life itself Finding the correct method is like hitting the sweet spot on a tennis racket or golf club It takes time study and practice but once you find it you have more success The Impact of Church Consultancy Ian G. Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities *Reports for ...* Baptist Convention of Ontario and Quebec, 2001 **U.S. Government Research & Development Reports**, 1970 *U.S. Government Research & Development Reports*, 1965 **Indexes to HUD Sponsored Comprehensive Planning Reports** United States.
