Arthur and the Forgetful Elephant Maria Girón,2021-03-23 Maybe I can help exclaimed Arthur At least he hopes he can But how What does this forgetful elephant need Arthur doesn t know but he s determined to find out as he and the elephant share a playful and colorful day Arthur and the Forgetful Elephant explores memory loss from the perspective of both those who forget and those around them With spare writing and poignant art this story reminds us that compassion and togetherness can make even elephant sized problems seem a little smaller [The Coat](#) Séverine Vidal,2022-10-11 This story is uplifting and will be a strong resource for teachers to talk about the importance of kindness VERDICT A must for all libraries It is not only a beautifully told story but its message is full of heart Children will love engaging in what would I do scenarios School Library Journal starred review Ah the coat So warm so beautiful so red It s all Elise has really wanted and she s been waiting forever When will the coat be hers Then a chance encounter changes everything revealing that the pleasure that comes from belongings even the perfect ones is no match for the joy of helping others At turns lighthearted and poignant The Coat offers a glimpse at the hardships confronting those who are experiencing homelessness inspiring us to treat them with compassion and respect A downloadable discussion guide is available at flyawaybooks.com/resources
