

The background of the cover features a complex, abstract visualization. On the left, a dense, tangled mass of thin, brownish-gold fibers radiates from a central point. Overlaid on this is a semi-transparent, light blue-green grid of interconnected lines, resembling a molecular or atomic lattice. To the right, a large, dark blue, cylindrical structure with a textured, fibrous surface extends horizontally across the frame. The overall aesthetic is scientific and high-tech, set against a solid black background.
