grandmother Pankajam 1911 2007 Kalpana Karunakaran achieves the remarkable capturing the singularity of an exceptional woman even as it situates her in a social universe shaped by the conventions of Tamil Brahmin orthodoxy Karunakaran conveys with clarity how the utterly ordinary life of a woman of no consequence as Pankajam writes of herself lived out largely within the confines of family and kin was quite far from ordinary The book draws extensively upon letters glimpses of Pankajam s life narrated through her thinly disguised semi autobiographical short stories that allowed her to say the unsayable about love intimacy and conjugality and her autobiography which she began writing in 1949 and kept writing till her last piece in 1995 What comes together is a riveting portrait of heartbreak and violence yearning and delight a housewife s quest for intellectual growth and her talent for friendships across cultures and continents In the final reckoning A Woman of No Consequence is about the chequered trajectories of a newly born nation as seen through the lens of its daughters restless women forcing home and nation to reckon with their stubborn striving for self actualisation
