Волшебные резиночки. Лучшие мастер-классы Екатерина Расина, 2022-04-29 VI **Rubberbands! Fun & Fashion** Heike Roland, Stefanie Thomas, 2015-01-29 Unstoppable Der Loombands Trend aus den USA geht weiter! Insgesamt sind alle Kinderzimmer erobert. Rubberbands sind überall. Wenn alle Handgelenke verziert sind, dann kann man sich nun auch noch mit einem Gurtel oder beloomten Kopfhörern schmücken. Ein cooler Charm baumelt an der Schultasche für Einsteiger und Fortgeschrittene ist dieses Buch eine wahre Fundgrube. The Public Image Robert Hariman, John Louis Lucaites, 2016-11-07 Even as the media environment has changed dramatically in recent years one thing at least remains true: photographs are everywhere. From professional news photos to smartphone selfies images have become part of the fabric of modern life. And that may be the problem. Even as photography bears witness it provokes anxieties about fraudulent representation even as it evokes compassion it prompts anxieties about excessive exposure. Parents and pundits alike worry about the unprecedented media saturation that transforms society into an image world. And yet a great news photo can still stop us in our tracks and the ever expanding photographic archive documents an era of continuous change. By confronting these conflicted reactions to photography Robert Hariman and John Louis Lucaites make the case for a fundamental shift in understanding photography and public culture. In place of suspicions about the medium's capacity for distraction, deception and manipulation they suggest how it can provide resources for democratic communication and thoughtful reflection about contemporary social problems. The key to living well in the image world is to unlock photography from viewing habits that inhibit robust civic spectatorship. Through insightful interpretations of dozens of news images *The Public Image* reveals how the artistry of the still image can inform, challenge and guide reflection regarding endemic violence, environmental degradation, income inequity and other chronic problems that will define the twenty-first century. By shifting from conventional suspicions to a renewed encounter with the image we are challenged to see more deeply on behalf of a richer life for all and to acknowledge our obligations as spectators who are crucially also citizens. *Rising Stars* L.M. Williams, 2014-10-22 Delilah is your average college student struggling to pay rent and looking forward to graduation. She fears for her life but is saved by two angel brothers, Aden and Gabel. Delilah quickly learns that the two brothers may be her only chance at survival and with the struggle of one brother loving her and the other seeming to want nothing to do with her she finds herself needing both of them as she embarks on a life-threatening and changing adventure.
