*Manual of Museum Management* Gail Dexter Lord, 2024-02-27 The Manual of Museum Management Third Edition presents a comprehensive and detailed analysis of the principles of museum organization, the ways in which people work together to accomplish museum objectives, and the ways in which museums large and small can function most effectively. This new edition offers updated information on the key aspects of museum practice that dominate today, everything from flatter organizational models, shared leadership, the efflorescence of digital practice, and complexity in the field, museums and social justice, the hard work and positive rewards of community engagement and partnership, platform balance, to alternative revenue models. All new contemporary snapshots provided by practitioners and drawn from museums and galleries around the world bring the principles to life, and digitally accessed links and resources in the e-book round out the relevance and usefulness of this third edition.

*Strategy in Airline Loyalty* Evert R. de Boer, 2017-10-09 This book offers the first comprehensive exploration of frequent flyer programs. By combining academic research with extensive insights and examples from the actual business world, it explores the key drivers and strategies of airline loyalty marketing today in an unprecedented manner. *Strategy in Airline Loyalty* also explores how the programs have evolved over time, from marketing programs to financial powerhouses, identifying both the catalysts for change as well as the strategic options and underlying trade-offs available to airlines. Covering diverse angles ranging from behavioral economics to accounting and structural design, the book reviews every core aspect of frequent flyer programs and offers extensive frameworks and definitions. The book provides a useful and complete reference for researchers and helps those interested in frequent flyer programs to develop a better understanding of their past, present, and future.
