### Non-Fiction Writing

---

#### Paper 2, Question 3

Analyse how the writer uses language and structure to interest and engage the reader. Support your views with detailed reference to the text.

[15 marks]

#### ANSWER:

#### Answer achieved full marks

The text begins with the writer demonstrating the use of anaphora, as he suggests that Milton's music started in the 'same place and same time' as various other renowned artists. The repetition of the lexis, 'same', emphasises the close connections that Milton had with well-known artists but also stresses the potential qualities that will be found in Milton, himself, interesting the reader into the new developing artist. The writer also provides an anecdote-like overview of Milton's journey to success and fame through a metaphorical summary, 'escaped the confines of blues and rock 'n' roll'. The focus on the verbs 'escaped' and 'confines', is really considered by the writer to support the purpose of the extract, which is to inform the reader of all the challenges and struggles faces by Milton in his life, before attaining success. Moreover, the writer employs triadic structure: 'BB King, Ike Turner and Elvis Presley', when he lists the myriad of artists that Milton is comparable to. The asyndetic listing of successful names makes the character of Milton appeal to the reader and also plays the intention of encouraging the reader to become a fan of Milton, by acquainting him with popular names. This emphasises Milton's importance, linking to the purpose of an obituary, which is to highlight the significance of someone. To add to this, the writer employs several factual locations such as 'Inverness' and even more specific 'Nelson Street', to connect to the reader's location, to make the obituary seem more personal to the reader.

As the obituary continues, the mood of the text suddenly changes; however, the coherency achieved by the writer successfully engages the reader, as he builds onto Milton's obstacles faced during his life. The writer structures the third paragraph with a complex sentence: 'they were a heady brew...contemporary Bobby Bland'. In some sense, the writer re-employs triadic structure to point out all of Milton's failures and defeats, as he is targeted for copying other artists. This almost creates a tone of blaming as the writer buttresses each accusation with powerful adjectives such as 'shameless' and 'lawless'. This engages the reader because the middle of the text begins to juxtapose the successful presentation of Milton in the first section of the text. Furthermore, the writer reinforces the struggles faced by Milton by describing Milton's music as having a 'muddy tone'. The adjective, 'muddy' has
