## Essential tips

- Read through the text first for general understanding.
- Remember that the gapped word or words will often be part of a collocation or a fixed phrase.
- Check the words on each side of the gap carefully. Often, the options have very similar meanings but only one is correct because of a word (e.g. a particular verb) before the gap or another word (e.g. a preposition) after it.
- Remember to read the whole text through again when you have completed the task to check whether it makes sense.

**Question 1:** Which verb often goes with it to mean 'be successful'?

**Question 3:** The idiom to go to any ... to do something means to make a big effort to achieve something, including taking extreme or unusual steps. Which word completes the idiom?

**Question 5:** All four words can form phrases with in. However, three of them express the idea of a series of things, but only one expresses the idea of the result of a series of things. The result here is boosted sales.

**Question 7:** We often use one of these adjectives to describe something abstract like an aim or an idea which is difficult to define or achieve. This is the meaning here. The other words are used to describe places that are hard to reach or things that are hard to see.

It still seems to be unclear what the (8) ..... to achieving word of mouth is.
