

A full-page advertisement for Jean Paul Gaultier's Divine perfume. The background is a textured gold color with a large, ornate gold halo behind a woman's head. The woman is wearing a shimmering, gold, strapless dress and a matching gold choker and necklace. She is looking slightly to the right. In the bottom right corner, there is a clear glass perfume bottle with a gold cap and a gold ring detail. The text is overlaid on the woman's dress and the background.

## **Image Of The Divine:**

**The Divine Mercy Image Explained** Michael E. Gaitley, MIC , From experts to beginners this new booklet by author Fr Michael Gaitley MIC is an engaging read that reveals hidden gems and highlights inspiring truths about the Divine Mercy Image It covers the great grace and key elements of the Image with remarkable depth and clarity Also includes instructions on how to enthrone the image in your home an enthronement prayer and two bonus appendices The Intimacy of Images Myriam Lamrani,2025 It s been said that Oaxacans believe in images Visual manifestations of saints and loved ones are a fundamental part of life there Oaxacans also seem to have a special relationship with La Santa Muerte a female reaper like figure whose cult has grown rapidly as violence in Mexico has increased In this book Myriam Lamrani recontextualizes Santa Muerte within Mexican Catholicism by looking at how intimately devotees interact with images including effigies tattoos artworks photographs even dreams of the infamous saint For Lamrani focusing on the intimate modalities through which people interact with their images offers insight into religious social and political life as well as anthropology itself The media turn in anthropology often considers religion as mediation and media as a bridge with the divine Lamrani suggests that it is intimacy with rather than mediation through such images that make the dead be they former humans loved ones or divine entities Santa Muerte present for the living She is essentially using aesthetics and affect theory to make intimacy her theoretical frame rather than visual analysis or the media turn The manuscript has six chapters divided into three sections The first section explores what constitutes an image how to move beyond the idea of it as medium and how dreams play into these ideas Part two unpacks her ideas about intimacy particularly devotional intimacy and the very special dead loved ones and saints The final section covers how images transcend boundaries through different scales of intimacy from an individual s devotion to their ofrenda altar to the Mexican nation s famously intimate relationship with death A conclusion reflects on devotion to Santa Muerte in Mexico within the landscape of popular religion and political unrest and summarizes the central argument of this book that intimacy understood as a scalable index of closeness which traverses all spheres of sociality is an anthropological tool to make sense of how people understand their worlds Cosmos and Image in the Renaissance Kathryn Banks,2008 Renaissance images could be real as well as linguistic Human beings were often believed to be an image of the cosmos and the sun an image of God With Cosmos and Image in the Renaissance Kathryn Banks explores the implications of this for poetic language and argues that linguistic images were a powerful tool for rethinking cosmic conceptions She reassesses the role of natural philosophical poetry in France focusing upon its most well known and widely read exponent Guillaume de Saluste Du Bartas Through a sustained analysis of Maurice Sceve s delie Banks also rethinks love lyric s oft noted use of the beloved as image of the poet Cosmos and Image makes an original contribution to our understanding of Renaissance thinking about the cosmic the human and the divine It also proposes a mode of reading other Renaissance texts and reflects at length upon the relation of literature to history to the history of science and to political turmoil Luther's
