Leading With Inquiry and Action Matthew Militello, Sharon F. Rallis, Ellen B. Goldring, 2009-07-23 This essential guide for educational leaders skillfully blends scholarship with practice and integrates theory with real world examples Through case studies the authors show the reader how to develop support and improve a collaborative inquiry action process for improving teaching and learning If we are going to have schools that successfully educate all students to high standards then we need principals who translate the lessons of this book into practice Andrew Lachman Executive Director Connecticut Center for School Change Enhance learning with a collaborative inquiry based system of leadership With sociopolitical forces prompting calls for school improvement school leaders look for ways to expand their expertise in instructional leadership and strengthen their role in shaping classroom practice Leading With Inquiry and Action presents a systematic ongoing process for collecting information making decisions and taking action to improve instruction and raise student achievement The authors illustrate this collaborative inquiry action cycle with a running vignette of an experienced principal and offer questions and exercises to guide individual reflection and group discussion Thoroughly grounded in research this book helps administrators Identify areas for instructional improvement Determine community supported solutions and build stakeholder commitment Articulate an action plan based on multiple data sources Take steps that support teacher development Systematically evaluate program results Educational improvement requires informed leadership This practical guide provides an efficient and functional framework for transforming current or aspiring principals into inquiry minded action oriented instructional leaders

Schoolwide Action Research for Professional Learning Communities Karl H. Clauset, Dale W. Lick, Carlene U. Murphy, 2008-05-15 Clearly shows the success that can occur when a staff learns together I highly recommend this book to aspiring and beginning principals as well as those with years of experience Paul Young Executive Director West After School Center Former President National Association of Elementary School Principals Foster schoolwide professional learning through a collaborative action research model Action research is a popular method for individual educators to examine their practices and grow in their profession In this how to guide readers will learn how Whole Faculty Study Groups WFSGs use action research to involve an entire school in advancing staff learning and school performance The WFSG model is a type of professional learning community PLC that catalyzes school change with schoolwide action research as a central component With over 20 years of experience the authors draw from hundreds of examples and case studies to describe how implementing WFSGs can help students teachers administrators and other staff members work collaboratively to improve teacher practice and student learning The authors empirical data and comprehensive approach help deepen educators understanding of how to use meaningful action research to strengthen teamwork and realize school reform Additionally readers will learn how The WFSG system compares with other approaches to action research The schoolwide action research process can be applied in a wide variety of school reform efforts Study groups can move from discussion to

action Principals and district leaders can support schoolwide action research Discover the ways WFSGs can enhance student learning and result in real school improvement in this highly relevant must have guide **Delivering Intensive, Individualized Interventions to Children and Youth with Learning and Behavioral Disabilities** Melody Tankersley, Bryan G.
