

COMPLAINT LETTER TO EMPLOYER

Porter Hoppe

HR Manager

[Your Company Name]

[Your Company Address]

Dear **Ms. Hoppe**,

I am addressing a concern about ongoing IT support issues disrupting our work environment. Over the past two months, we've had frequent internet outages and slow speeds, affecting productivity. Specifically, the network was down for hours on July 24 and August 5, delaying critical projects. I reported this issue on July 25 and followed up on August 1, but temporary fixes have not resolved the problem.

To address this issue, I kindly request that the following actions be taken:

1. **Conduct a thorough review** of the office network infrastructure to identify and resolve the underlying issues causing the connectivity problems.
2. **Implement a permanent solution** to ensure stable and reliable network access for all employees.
3. **Provide regular updates** on the progress of the resolution and any temporary measures that will be in place during the repair process.

I believe that these steps will help in resolving the problem effectively and restoring the productivity levels within the office. Thank you for your attention to this matter. I am hopeful that with your support, we can resolve these issues swiftly and improve the overall work environment. Please feel free to contact me at [Your Company Email] or [Your Company Number] should you require any further information or clarification. Thank you for your prompt attention to this matter.

Sincerely,

[Your Name]

IT Support Team
