Kids These Days Hardcover:

Children These Days Nicola Madge, 2006-02 What s it like to be a child growing up in Britain these days Is it a happy time or is there too much to worry about This book draws on the accounts of over 2000 children and 500 adults to examine the present day meaning of childhood and its implications for policy and practice **Kids These Days** Karen

Sternheimer, 2006 Kids snatched from their bedrooms shot at in school fatter than ever prone to risk taking and cruelty_ is childhood today as bad as the news accounts would have us believe Is this generation headed for disaster Kids These Days Facts and Fictions About Today s Youth critically examines the hottest news stories of the past few years to assess whether the news is really as bad as it sounds For instance is kidnapping by strangers really a bigger threat now than in the past Are disputes at school now settled with guns instead of fists And are kids especially girls becoming bigger bullies than ever before Kids These Days looks at the stories that made headlines and goes deeper to explore overall trends and statistics to compare the hype to reality The truth is kids today do face unique obstacles and challenges but their situation isn t nearly as dire as the compelling news accounts would have us believe Our nation s youth have been targeted as a problem population to absolve adult responsibility for creating the often dangerous and difficult conditions many young people must endure Kids These Days will give the reader pause and perspective to better understand the realities of the first generation to come of age in the twenty first century **The Publishers Weekly** ,1972 *Straight to the Heart* Daniel Blackaby, Mike

Blackaby, 2024-08-06 Our approach to apologetics needs to change when the very idea of truth is controversial But as authors Daniel Blackaby and Mike Blackaby teach us we can still reach people if we understand what they value most This practical guide to our current landscape explores five effective communication pathways Story As people wired for narrative we can speak through the stories we live and tell Beauty In an increasingly industrialized world we can point people to pockets of beauty that reveal the attractiveness of God Art In a society that celebrates the arts we can cultivate creativity in the church then send artists out as cultural missionaries Desire To a people motivated by love identity and purpose we can show how Jesus is the perfect fulfillment of our deepest longings Community As relational creatures where connectivity is disappearing we can offer a community of unified diversity Culture may be in flux but God s Word remains true *Straight to the Heart* helps us speak to the passions that drive our culture without compromising the life changing truth of the gospel **The**
