[Passion to Passive Profits](#) Minimalist Hustler, 2022-01-17 I tried the corporate 9-5 world It wasn't for me I didn't want a boss I tried running my own business It wasn't for me I didn't want employees I didn't even really want to deal with customers All I knew is that I needed to find a way to make money that I enjoyed I tried Uber Eats DoorDash I love driving it was fun and paid decently BUT Then I realized it wasn't money that I wanted I wanted time and freedom I needed to find a way to disconnect my income from my time I started investing but I didn't want to be a day trader so I started investing in dividend stocks and the passive income from that is great but unless you have a ton of money to invest the income from it isn't enough I now knew that I had to find a way to create passive income without investing a lot of money or even any money at all This is when I discovered digital assets and I'm not talking about Cryptocurrency or NFTs although I am currently invested in both of those The digital assets I'm talking about are easy to create on your own for free They finally allowed me to own more of my time and most importantly have given me freedom In this book I will show you the exact methods I use to create these 7 different types of digital assets and how I leverage different marketplaces to make passive income from each one Articles Courses eBooks Graphics Photos Printables Templates The best part about these digital assets is that I can create ones that are directly related to my passions from hockey to food and of course side hustles And it can work for absolutely any passion I guarantee it If you can't figure out how to monetize your passion with this eBook you can email me directly and I will give you some examples The book is called Passion to Passive Profits What will you learn from this eBook How to turn your passions into 7 types of digital assets How to turn those digital assets into passive income streams How to work smarter not harder when it comes to creating them How much time do you need to put in Have an hour a day to do it Great Have three hours a day to do it Awesome Have ten hours a day to do it Incredible The reality is the more time you put in the more passive income you'll create for yourself How much money will you make The more assets you make the more money you will make The amount will depend on the quantity

and quality of your assets and your listings on the various marketplaces Want to play around with some numbers and see the math Let s assume it takes you an hour to make 1 digital asset some can be more some less and each sale brings in 1 profit again some can be more some less and you make on average only 1 sale per week per asset If you do 1 hour day and stop after a year you ll have 365 assets which will give you 18 980 passive profits per year forever If you do 3 hours day and stop after a year you ll have 1095 assets which will give you 56 940 passive profits per year forever If you do 10 hours day and stop after a year you ll have 3650 assets which will give you 189 800 passive profits per year forever And that s from only 1 year of creating assets what if you did it for 2 5 or 10 years Looking forward to working with you and monetizing your passions I m always just a DM or email away for any help or questions Jamie a k a Minimalist Hustler
