New Delhi.

## **Subject : Request Letter for Revaluation of marks of Class X Mathematics Paper**

Sir,

I beg to state that the results of the CBSE Examination in Mathematics Paper shows that I have scored only 36 percent which is a bass pass mark.

This mark is not only impossible but contrary to all logic. I have never scored less than 80 percent in all my school examinations. Besides I discussed my examination question paper with my Mathematics teachers and on the basis of my performance they predicted 85 percent. What is more preposterous is that students who never scored more than 40 percent are among the top bracket of 75 percent and above.

I suspect unfair marking or some grave discrepancy in recording marks. I therefore, requet you to order a re-evaluation of Mathematics Paper.

Thanking You,

Yours Sincerely,

Rajat Sen

9014, CBSE 2024 Bada Bazar,

Noida.
