Gods Guide For Relationships:

Relationships Guided by God Iris Wallace,2009-06 What are you doing with the life God gave you Making the most money owning the biggest house driving the most expensive car or eating at the finest restaurant is not why God formed you in your mother s womb Happiness you seek is only gained through the fulfillment of understanding your purpose Many signs of purpose are shown to us through nature The sun a constant sign of true purpose fulfills its purpose in front of us each morning As it rises it illuminates the sky with light Even through the clouds because it wakes each morning with a desire to perform the purpose of its Creator it is given the capability to master that purpose Have you ever stopped long enough to ask God why you were formed in your mother s womb Do you think you are here for your own purpose As God placed the sun in the sky to provide light to the Earth He also formed you for His will and purpose Allow me through the Spirit of Christ to show you God s way of living to experience relationships that are guided by Him Iris Wallace is a servant of Christ who leads a simple life that is filled with the purpose of God The Spirit leads her to answer help calls of many individuals As the Lord orders her steps Iris eagerly follows Him to each assignment While individuals come before Him in secret making their requests known to Him the Lord sends her to help them To Iris everything is vanity unless she has done what she was born to do which is to love God by serving others *God's Love Manual* John K. The Covenant of Marriage Study Guide Mark Johnson,2021-02-04 This twelve week study shows how the historic understanding of Covenant helps us build a love for a lifetime Marriage Marriage is not what our culture or we say it is What is the one esh relationship that was designed by God When two enter a Covenant the identity of each party enters the other This produces a bond of shared identity between the two and alters the nature of each what God has joined together God s instructions are logical consequences of these realities We love the other as we love ourselves because the other is now part of us Our hearts want to love but we do not love consistently Why Because our guidance systemour old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God s plan and building this new life is the path to the best Marriage

A Biblical Guide to Love, Sex and Marriage Derek Thomas,Rosemary Thomas,2007 This book is about marriage and its relationships based on the Song of Solomon Interpreting this book of the Bible has been a controversial issue for many years First it is a book about love marriage and sex It is thoroughly immersed in the goodness of the created order Second in teaching us about intimate relationships in marriage it helps us understand how marital union reflects Christs relationship to the church corporately and the believer individually Thirdly the Song of Solomon is Gods inerrant Word It is breathed out by God and profitable for teaching for reproof for correction and for training in righteousness that the man of God may be adequate equipped for every good work 2 Tim 3 16 17 We cannot keep this issue buried beneath the surface but hovering over everything we understand of the Song Being persuaded of its divine authorship and sanctifying intent should keep us from embarrassment on the one hand and sentimentality on the other The Holy Spirit thought it necessary that we be given these love poems to teach and exhort us to love more deeply the one he has provided to share our lives with It is only right therefore that we reciprocate with gratitude for this gift
