Choose any two characters from chapters 19-27 (at least one of these MUST BE one you have not done on any previous study guides). Write the character and a key quote (something the character says or does, or what another says about that character) and your evidence that helps the reader understand something about the character's personality. PART B: INTERPRECTION (ALONE)

Find two quotes from chapters 19-27 that are pivotal to either the plot or a character's development. Write the quote, page number, and why you think the quote is important (2-3 sentences and the quote). Write your own deep insight, thought, comment, feeling, and/or prediction for the plot or character - how does this mean the plot forward? How does this quote affect change or trait in your view of the character (should be 3-5 sentences; necessary evidence).

PART C: THEME (GROUP)

Choose one of the themes that is relevant to the chapters. What role does it play in the chapters? What is its conflict? Describe the scene that you choose with a page number and then explain why it is important. Think all themes are evident yet. (Note: themes come in pairs, and differences/symbols using 3-5 words)
