recent years practices have arisen and become widespread which overcomplicate teaching and increase teacher workload while only having a marginal impact on pupil learning. *Simplicity Rules* explores how children learn and the most effective ways to teach them focusing on achieving results using strategies that are low effort and high impact along with a comprehensive framework underpinning the ideas. Covering what to teach, talk, practice, starting a lesson, ending a lesson and feedback alongside practical methods to reduce workload as well as simpler and clearer systems to support teachers in the long term, this book asks: Is this the very best use of my time as a teacher? What is the learning impact for the child? What is the impact on my own workload? Are the results worth this effort? Promoting a simplification of teaching practices, *Simplicity Rules* is an essential guide for school teachers of all levels of experience and school leaders. [Stop Talking About Wellbeing](#) Katherine Howard, 2020-01-06. Stop talking about wellbeing and start taking action to own your workload. As the teacher retention crisis reaches breaking point and mental health for teachers features regularly in the press, wellbeing has been pushed to the top of the national agenda in a bid for schools to consider how to look after their staff. However, wellbeing is becoming a tokenistic feature within the education sector as staff participate in compulsory wellbeing-linked activities that have very little impact on their workload or ability to do what they came into the profession to achieve: inspiring young people. In a critical consideration of a range of educational research, Kat explores the key factors that form a teacher's role within school, outlining a range of ways that teachers can take ownership of their workload and wellbeing through a sense of true job fulfilment. Interviewing expert teachers in their field and taking a Kat provides practical strategies for teachers at any point of their career to take away and implement immediately in a bid to improve the educational landscape for teachers everywhere. **English Literature** Thomas Henry Briggs, Max John Herzberg, Emma Miller Bolenius, 1934. **A Christmas Carol - Spotlight Edition** Charles Dickens, 2004.
