Programmable feature keys

There are two methods for programming your phone:

- Direct programming** — Contact the key you want to program, and hold 1 down for at least two seconds. This key only enables programming but also lets you immediately program that specific key.
- Feature programming** — Press **PROGRAM**. The verbal User Guide will assist in your setting up. Through the 32 menu items, during which you can choose the appropriate option.

The programmable feature keys can be programmed as:

- Line keys** — If programmed with a two-digit line number, the key will connect to the line providing only information and return the voice.
- Station keys** — If programmed with a three digit extension number, the key will provide station ring status and direct station answer and transfer.
- Speed-dial keys** — Can be used for automatic dialing of frequently called outside numbers. Enter the line access code (8, 9 or 7) over the phone number.
- Additional feature keys** — Depending on your system, there may include message control, service charging, night sign, system speed dial, personal greeting on, and the feature Administration by extension.

Special features

Monitor mode

You can program your phone to allow hearing a message at 4 if being off in your mailbox. For your extensive description.

Call forwarding

On a 3-Party Feature Phone that 4 8 8 and then press a station key to forward your call to that station. To enable call forwarding, dial 8 8 8 and hang up. You can make a call-forward key by assigning 8 8 8 to a programmable feature key.

On a 3-Party Feature Phone Press **CFWD** and then press a station key to enter an extension to forward your call to that station. To disable call forwarding, dial **CFWD 4** and hang up.

Message Recall On (lockdown)

Your phone system stores your 10 most recently deleted messages in a Message Recall On (**PROGRAM 6**) to allow you to re-read messages that may have been deleted in error.

Off-hook indicator/message light

The red message light, located at the top of the phone, indicates those conditions. A phone that's off-hook gives red and blue priority, continuously "beeps" when ringing (answer priority) and flashes when that station has two more call waiting (third priority). The indicator will light according to the priority of the condition.

Headset jack

Your phone may also be equipped with a headset jack located on the bottom of the phone. To use a headset, dial message 1 4 4 to a programmable feature key, making it a headset key. Then plug the headset into the phone. To answer a call, press the headset key you programmed to answer the call, press the headset key again. You can still use the handset at any time. However, in silent-talk or headset mode, you must press the programmed headset key before placing the headset back in its cradle. (See the User's Guide for more details.)

Note: You must program headset operation (**PROGRAM 1 4**) and use an external headset amplifier if you are using an 888 phone without a headset jack or an 888 system manufactured in 2003.

Using help mode

Your phone's help mode is designed to help you learn about phone features, how to use your phone, how to use voice mail, and how to handle calls and messages. Line Access. To access one of these topics, press **HELP** and choose from the menu.

When programming a feature on your phone, you can press **HELP** to view a more extensive description of that feature.

The on-board user manual — **HELP 4** — explains all aspects of call and message handling in a logical step-by-step manner.

Using voice mail

Note: Certain 888 phone systems have either an integrated **Answering Machine** which works automatically (for system status or no voice mail at all) (Contact your System Administrator for more information).

If you have new messages, your display will show the number of new and old messages in your mailbox.

Retrieving messages from your station

- Press **VOICE MAIL**.
- When prompted, enter your password (if required).
The default password is 8 (ringing, or password required).

During playback of a message, the display will show the number of the message, the number of the message, whether it's new or old, and the duration of the message.

You can press any of the following keys anytime during the message to bring the phone following the message:

- Pause** — Pauses playback for one minute or will proceed again.
- Time/date** — Toggles the display between the duration and the Caller ID (number of minutes).
- Reply** — To automatically reply to a message from another user (within the system), begin recording your reply at the next press 7 to stop. You will then be returned to the original message for further action.
- Back up** — Back up ("rewind") playback for seconds for each time you press it during message playback. If pressed after the message has finished, returns you to the message's beginning.
- Fast forward** — Advances playback for seconds each time you press 8.
- More** — Shows a copy of the message to another user's mailbox in a Quick Greet. If you wish to read an extension, press 7 when prompted. The phone system will respond with the mailbox greeting and return tone. When you've finished your recording, press 7 to stop.

1 Speed — Contact the message

2 Save — Saves the message. It will be placed at an old message. The next time messages are deleted.

Note: **8 8** saves the message as a new message.

Hang up when finished. (If you hang up while a message's playing back, the message will remain a "new" message.)

Retrieving messages from a remote location

- At the main greeting, after you've 4, and enter your mailbox number. 4. (When the operator transfer you by pressing **VOICE MAIL**, and then 4, and entering your station number).

- When prompted, enter your password (if required).
The default password is 8 (ringing, or password required).

The phone system will announce the number of new and old messages and play the latest new message.

The additional key functions listed below may be used from a remote location:

- How Message** — Placed the message plays the time/date of the message and then returns playback.

- Access user programming** — Lets you change the personal greeting or password.

Note: Fast forward is not available from a remote location.

- How greeting** — Returns you to the main greeting.

- Transfer** — Transfers you to the operator.

- Leave a message to another mailbox** — When prompted, enter the user's mailbox number.

- To disconnect** — Use before hanging up if pressed during playback of a message. The message will be saved.

Mailbox personal greetings

You can record up to three personal greetings (**PROGRAM 1**), and then change between them as desired.

Example: "Hi, this is 888. It's easy to get my phone or on the phone. You may reach the operator by dialing 8 line or leave me a station message and it'll respond to it promptly."

Esi Phone Guide 4key Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Esi Phone Guide 4key free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Esi Phone Guide 4key free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Esi Phone Guide 4key free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Esi Phone Guide 4key. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Esi Phone Guide 4key any PDF files. With these platforms, the world of PDF downloads is just a click away.
