Gem Stone Pricing Guide

**Antoinette Leonard Matlins, Antonio C.
Bonanno**

Gem Stone Pricing Guide :

Jewelry & Gems The Buying Guide Antoinette Matlins, 2012-12-06 to this edition In working with my own clients to acquire gemstones and jewelry since this book was first published in 1984 they have pointed out that most people buy jewelry and not gemstones Because the book offers so much practical advice and money saving tips about buying jewelry they urged me to change the title So in this edition *The Complete Guide to Buying Gems* has been changed to *Jewelry Gems The Buying Guide* Consumer and professional response to the book has been very gratifying Almost 14 000 hardcover copies are in circulation We have received hundreds of letters phone calls and in person comments about the helpfulness and interesting information it provides We thank you for encouraging us to make the book more widely available by bringing out this softcover edition We have taken the opportunity of this softcover edition to update the price guides for diamonds and colored gemstones and in light of the increase in both the popularity and price of pearls to add a price guide for them in the *Guide to Popular Gems and Their Prices* Also we want to take this opportunity to comment further on gem investment taking into account major developments since the original manuscript was written in 1980

Gems and Jewelry Appraising

Anna M. Miller, 2012-12-06 Only a few years ago if you needed an appraisal of The revolution in the personal property appraisals gems and jewelry for any reason you asked your local field of which jewelry is a part is a little more than a jeweler who hastily scribbled a one line handwritten decade old There now exist uniform standards and note He or she usually performed the appraisal for procedures for personal property appraisers classes free and did so with reluctance accommodating you in valuation techniques and degree programs in the only because as a customer you held the promise of a valuation sciences future sale The price your jeweler may have assigned Professional jewelry appraisers are on the edge of to the jewelry was granted without the least regard a new vocation Banks insurance companies and for market research legalities or ethics In most in governmental agencies have all helped bring about stances the estimate was no more than a properly the changes and contribute to the birth of the profes completed sales receipt sion they have realized that they can demand and Gemologists were usually pushed into the role of get high standards of performance and integrity from appraiser by their jeweler employers who were eager jewelry appraisers as they can from appraisers of real to gain an advantage over their competitors by adver property

Illustrated Guide to Jewelry Appraising

Anna M. Miller, 2012-12-06 There is more to appraising jewelry than just being parable sales and a value determination Then all this able to put a dollar value on an item The title of ap information with clear jewelry descriptions must be praiser distinguishes the individual who is able to iden succinctly put together with photographs and deliv tify witness estimate status excellence or potential ered to the client ity and to determine the authenticity of an article Today s jewelry appraiser should also be cognizant Many factors impact on a thorough appraisal espe of the vicissitudes of fashion how changes impact the cially on estate and period jewelry jewelry market in a substantial and vital manner in both design and style A careful look must be given to Developing all this expertise

is a lot to ask of practitioners who only a decade ago were barely making a study of color psychology with an awareness of why specific gemstones and their colors and enamels of distinction between a well written sales receipt and a professional appraisal report. In the past few years bold changes have taken place developments from machine stamped jewelry the use in this field It is now understood that standard use of aniline dyes in clothing and development of the appraisal concepts and principles can be applied to the electric light have influenced design and use of gem stones
