Biblical Literature Exam 1 Study Guide 2025/2026 — Old Testament Foundations and Key Themes

1. **What are the different approaches to studying the Bible?**

   -We could take a thematic approach by following key themes throughout the old testament and new...like that of love or prophecy.
   -We could look at major sections, such as the Pentateuch or the Gospels.
   -There is the historical approach, following the sequence of historical events portrayed in the Bible, looking at the various books within that context.

2. **What are the methods and issues in Biblical interpretation?**

   -The Traditional view: bible is historical and we must include all the evidence (biggest problem is lack of evidence, not conflicting evidence)
   -Modern View: The Bible is not historical until proven by evidence...they believe that miracles really can't happen...

3. **The traditional view of God, in contrast to the modern view...**

   The Traditional view of God believes He can intervene in space-time history on occasion, and other lesser spiritual beings can intervene as well. Miracles are to be viewed critically (scientists can't prove if they're real or not)
   The modern view of God believes limited/restricted and that miracles are impossible. God cannot intervene with space-time history.

4. **Hermeneutics**

   number of ways to interpret the bible

5. **Who Julius Wellhausen was and what he is known for?**

   He's known for the JEDP theory or the Documentary Hypothesis

6. **What does J, E, D, and P stand for?**

   This is a graphic representation of a modern assumption of how the OT developed, in contrast to the traditional view.
   J: Jahwe= Yahweh E: Elohim (Hebrew word for God) D: Deuteronomy (viewed as a separate work added at the end) P: written by priests to justify their existence

7. **what type of criticism is JEDP classified as?**

   "Source criticism" (critically examining the text to find its literal origins)
