

COMPARE AND CONTRAST

I can compare and contrast the adventures and experiences of the characters in my book.

CHARACTER

Margie

CHARACTER

Lupe

COMPARE

They both come from Mexican families. They are in the same grade and attend the same school. Both girls enjoy listening to music, dancing, and spending time with family.

CONTRAST

Margie was born in Texas and is a U.S. Citizen. She is fluent in English and knows some Spanish.

Lupe was born in Mexico. She is fluent in Spanish and speaks some English.

She is embarrassed by her Mexican heritage at first. She perms and cuts her hair and wants her parents to assimilate into "American" culture.

She is proud of her Mexican heritage; she wears her hair in a braid and celebrates Mexican holidays. Lupe acculturates, rather than assimilates.

Margie is an only child. Her parents, who are married, are her only immediate family until Lupe becomes like her sister. She does not know her other extended family well.

Lupe's parents are separated. In Mexico, she has two little brothers and a large extended family. She also has a stepfamily from her father, and Margie and Margie's parents. Lupe has a lot more close family members than Margie.
