

# Final Exam Prep

NAME: \_\_\_\_\_

**FOCUS**

Start with the subject you feel the least confident in. It is where you need to spend the most time studying!

**SCHEDULE**

Create a study schedule and stick to it! Use timers to help you stay on track, and make changes if it is needed. It's not set in stone!

**WATER**

Take breaks that are intentional and beneficial. A 5 minute phone break is okay, but remember that a better choice is a walk or a healthy snack.

**EVERYDAY**

Practically, no writing really, reading a friend's regulations, all good options for a few and find your favorite - it may change for different classes!

**SUPPORT**

There are tons of great apps like Quizlet and online flashcards. They can make a difference! Form and have all your friends add each other!

**WATER**

Highlight important info in your notes, write a page of the most important info, or try flash cards!

**STAY CALM**

You will be better when you are rested. I promise! Sleep well every night, eat healthy meals, take a hot shower and go for a walk. Your brain and body will thank you.
