

## TROUBLESHOOTING

Certain problems are due to lack of simple maintenance or oversights, which can be solved easily without calling out an engineer. Before contacting your local Service Centre, please carry out the checks listed below. During machine operation it is possible that the red Start/Pause pilot light flashes to indicate that the machine is not working. Once the problem has been eliminated, press the Start/Pause touchpad to restart the program. If after all checks, the problem persists, contact your local Service Centre.
