**End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World** Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5

**Malachi's Understanding of Unfaithfulness in Covenantal Marriage Relationships** Stephen Oluwarotimi Y. Baba, 2025-10-31 Biblical values are true for every age Yet under increasing influence from political economic and cultural spheres covenantal marriage has seemingly lost its significance in the eyes of the world As it stands God s design for marriage is overlooked in

favour of unfaithful practices and frivolous divorces How can Malachi's teaching on covenantal dynamics speak into this pressing issue Countering this deterioration Dr Stephen Oluwarotimi Y Baba proffers a biblical solution to covenantal marriage discussions through literary and exegetical examinations of Malachi 2:10-16 Exploring the pastoral implications of the text for the contemporary body of Christ Dr Baba reveals the inherent dangers of unfaithfulness in marriage unions In doing so he argues that God's goal in Malachi is restoring the original glorious and eternal institution of marriage to its mirror the marriage of God to His people Outlining the biblical ethical values of marriage as covenant this work offers a developed theological understanding of marital unfaithfulness for academic and church communities seeking fresh insight on the topic

Exploring the Old Testament, Volume 2: A Guide to the Historical Books Philip E. Satterthwaite, J. Gordon McConville, 2007-06-05 The historical books from Joshua to Ezra and Nehemiah form the narrative backbone of the Old Testament Without them the Pentateuch would stop cold and the Prophets would hang in suspension Even the Psalms and Wisdom literature would lose some of their luster for lack of a setting Without these historical books the New Testament would be resolving an incomplete narrative answering a question only half and hesitantly posed For all these reasons and more it is a tragic fact that many of us today cannot give a brief and coherent account of this story We fear that books with names like Judges Kings and Chronicles would bore us But nothing could be further from the truth For the story they tell is full of action and intrigue tragedy and suspense vivid characters and memorable events They are the stuff of great art and literature and they have inspired men and women to lives and deeds of uncommon faith and courage Exploring these books is essential for a true education whether religious or otherwise In this guidebook Philip E Satterthwaite and J Gordon McConville introduce us to the content and the context of these historical books We view them within the setting of ancient history and history writing and come to appreciate their literary artistry their role within the Scriptures of Israel and their lasting value as theological and ethical resources Designed especially for students Exploring the Old Testament Volume 2 A Guide to the Historical Books overflows with interesting and helpful features that encourage avid exploration and the joy of
