Cross,2014 The final three books of the Titanium Security Series in one set Extinguished She s wanted him forever For years former Marine Jordyn Bridger has been in love with a man who refused to see her as anything but his best friend s little sister A mind blowing kiss finally changed that but then he disappeared from her life Now he s back to recruit her for a job with his NSA sanctioned Titanium Security team They re going after the terrorist responsible for the recent attacks on their team and Jordyn is eager to lend her skill set to the hunt She s determined to prove to Blake that she s capable of holding her own both in the bedroom and on the battlefield He s never walking away again Former Marine Scout Sniper Blake Ellis hid his true feelings for Jordyn for years out of respect for her and her family but once he learns those feelings aren t one sided he can t keep his distance any longer When a team tragedy thrusts Jordyn into the front line with him on a battlefield Blake will do whatever it takes to protect her She s everything he ever wanted in a woman but he was too stubborn to see it Now it might be too late for them As they race to capture the terrorist they re hunting Blake and Jordyn find themselves fighting for their lives If they want to make it out alive they must work together to defeat an unseen powerful network that will stop at nothing until their entire team is dead Rekindled He left her when she needed him most Four years ago Dr Grace Fallon lost everything that mattered in a terrorist attack she barely survived Now she s stronger than ever and in Pakistan with a UN sanctioned team for the most important assignment of her career She s dedicated her life to eradicating the world of chemical weapons and long ago accepted the inherent risks associated with her job Until the man whose memory has

haunted her for so long suddenly reappears and inadvertently makes her the target of one of the most dangerous terrorists on the planet Forced to accept Alex s protection it s impossible to deny the white hot attraction still burning between them And while she trusts him to guard her from this new threat Grace must once again decide whether to risk her heart to the man who once shattered her entire world Now he ll risk everything to win her back Four years ago NSA agent Alex Rycroft left Grace because had no choice But never again Malik Hassani has escaped custody he s on the run and has locked onto Grace as a means to target Alex This time Alex will do whatever it takes to protect her and convince her to give them another chance Walking away from her nearly destroyed him and now that she s back in his life he can t let her go When the unthinkable happens and Grace s life hangs in the balance he ll sacrifice everything to save her including himself Blindsided The Titanium crew gathers for a Christmas reunion But when tragedy strikes this will be a holiday they won t soon forget

Lethal Edge Kaylea Cross,2020-07-28 A diehard romantic looking to start over in a small town Dr Nina Benitez might be an astrophysicist and a scientist down to her bones but she also believes in true love and happily ever after and won t settle for anything less After a rocky end to her first semester teaching at the University of Montana she s looking forward to a new school year and a fresh start in the small town of Rifle Creek When she meets her roommate s work partner a sexy hard edged detective Nina is immediately intrigued However it s soon clear they re like oil and water But when she s confronted by the painful past event she wanted to forget she faces an even greater danger A predator is bent on silencing her forever and Nina s only hope of survival is the unattainable man who s captured her heart A cynical cop determined to guard his heart Tate Baldwin has dedicated his life to serving and protecting first in the military and now as a detective in Rifle Creek Badly burned by his last relationship he isn t looking to get involved with anyone especially a brilliant college professor who seems to have her head in the clouds Yet even Tate can t deny the attraction between them that soon grows into something more And when a secret from her past triggers a lethal threat Tate will risk everything to stand between her and the monster who wants her dead

Lethal Temptation Kaylea Cross,2020-09-29 She s got her guard up Detective Avery Dahl finally has her life back on track after a painful divorce She s not going to risk her heart again especially to a sexy veteran with heartbreak written all over him Due to extenuating circumstances at an upcoming family wedding she reluctantly agrees to bring him as her fake boyfriend and soon realizes her mistake Because Mason is as lethal with seduction as he is with a weapon and keeps pushing her boundaries until her carefully constructed walls begin to crumble Her instinct is to push him away but when a mysterious enemy targets her Avery has a choice to make Face it alone or take a risk and let him in He s determined to get past it After a horrific accident ended his military career Mason Gallant has struggled to fit into the civilian world Now that he and his buddies are opening a business together in Rifle Creek he s finally found his footing again But he never counted on meeting a woman like Avery He can t stop thinking about her so when she needs help he steps up Except posing as her boyfriend makes things even worse because he soon realizes he wants way more than just her body Now that

he's seen the caring sensual woman inside the tough cop he wants to protect her from whoever is threatening her. As the attraction between them heats up, the danger escalates. Mason must prove to her that she can trust him with her heart as well as her life or risk losing her to the bullet of a stone-cold killer.

[The Security Risk Assessment Handbook](#) Douglas Landoll, 2021-09-27

Conducted properly, information security risk assessments provide managers with the feedback needed to manage risk through the understanding of threats to corporate assets, determination of current control vulnerabilities, and appropriate safeguards selection. Performed incorrectly, they can provide the false sense of security that allows potential threats to develop into disastrous losses of proprietary information, capital, and corporate value. Picking up where its bestselling predecessors left off, *The Security Risk Assessment Handbook: A Complete Guide for Performing Security Risk Assessments, Third Edition* gives you detailed instruction on how to conduct a security risk assessment effectively and efficiently, supplying wide-ranging coverage that includes security risk analysis, mitigation, and risk assessment reporting. The third edition has expanded coverage of essential topics such as threat analysis, data gathering, risk analysis, and risk assessment methods, and added coverage of new topics essential for current assessment projects, e.g., cloud security, supply chain management, and security risk assessment methods. This handbook walks you through the process of conducting an effective security assessment and provides the tools, methods, and up-to-date understanding you need to select the security measures best suited to your organization. Trusted to assess security for small companies, leading organizations, and government agencies including the CIA, NSA, and NATO, Douglas J. Landoll unveils the little-known tips, tricks, and techniques used by savvy security professionals in the field. It includes features on how to better negotiate the scope and rigor of security assessments, effectively interface with security assessment teams, gain an improved understanding of final report recommendations, and deliver insightful comments on draft reports. This edition includes detailed guidance on gathering data and analyzing over 200 administrative, technical, and physical controls. Using the RIIOT data gathering method, it introduces the RIIOT FRAME risk assessment method, including hundreds of tables, over 70 new diagrams and figures, and over 80 exercises, and provides a detailed analysis of many of the popular security risk assessment methods in use today. The companion website, infosecurityrisk.com, provides downloads for checklists, spreadsheets, figures, and tools.
