## Get A Agent:

**The New York Agent Book** K. Callan, 2007-12-11 If you're just beginning in the business one of the first things on your mind is attracting an agent. Veteran actors also often feel overwhelmed when the realization hits that the relationship with their agent is faltering. Neophyte or old timer if you have become convinced that you'll never again have an agent or a job take heart. This book takes the fear, loathing and mystery out of finding the agent who's going to help you become the working actor you deserve to be. Callan has written a helpful, often amusing and always pragmatic guide to agenting yourself until you can attract a partner. This how-to reference book combines the hard facts of the business while offering encouragement and optimism. The New York Agent Book includes background information on many of the city's most respected and successful agents, their resumes and a sample of their client lists. Callan's personal meetings with literally scores of agents have produced fascinating quotes which provide insights into what agents expect of their clients and what the actor has a right to expect in return. The more the business changes the more it stays the same. Callan is here to hold your hand and help you through what can sometimes be a lonely journey.

**The Los Angeles Agent Book** K. Callan, 2008 Taking the fear, loathing and mystery out of finding an agent. This how-to reference book combines the hard facts of the business side of the profession while offering encouragement and optimism.
