## **Getting Real English Edition:**

*Get Real* Michael Hickey, 2012-02-16 From the Preface *Get real* was a slang term that became popular in the 1960 s when Michael Hickey was growing up in East Boston It implied that someone wasn t in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public s interest in some concept of reality As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the populace doesn t view reality in the context of mystery They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality Hickey s goal is that *Get Real* will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality

*Through the Looking-Glass and What Alice Found There (English edition - Full version)* Lewis Carroll, 2023-05-15 Once Alice embarks on her next adventure nothing is quite what it seems Through a mirror she enters a fantastical world of illogical behavior dominated by chess boards and chess pieces and where time runs backwards The story follows the exploits of a spirited young girl who parries with the Red Queen

Tweedledee and Tweedledum and other unusual characters she encounters The game of chess that Alice faces is a reflection of how society's rigid hierarchy works And in many ways this sequel has had an even greater impact on today's pop culture than the first book with its whimsical and thought provoking themes The Gardening Year Book and Garden Oracle ,1897
