Parker Boudett,Candice Bocala,2025-07-28 A revised and updated edition presents field tested strategies to foster equity
inclusion and continuous improvement in educational practice In this third edition of Data Wise Kathryn Parker Boudett and
Candice Bocala update the research based eight step collaborative inquiry process and demonstrate how it can be used to
build more equitable schools As Boudett and Bocala define it equity occurs when each student has access to rigorous
learning opportunities and is provided with the support they need to be successful Therefore improvement work is equity
work This new edition provides a step by step guide for how teachers counselors and school leaders can address inequities
and improve learning outcomes for all students It shows how the evidence focused analysis of the Data Wise improvement
process coupled with the disciplined way of thinking known as the ACE Habits of Mind a shared commitment to action
assessment and adjustment intentional collaboration and a relentless focus on evidence can foster mindset shifts and
fundamentally change the way educators work Data Wise is a world renowned approach that has been used to address
challenges not only in K 12 classrooms but also in higher education professional learning and administrative settings This
essential work delivers solid relevant guidance for integrating data inquiry into institutional practice **Go Math! Grade 6**
