**The Covenant of Marriage Study Guide** Mark Johnson,2021-02-04 This twelve week study shows how the historic understanding of Covenant helps us build a love for a lifetime Marriage Marriage is not what our culture or we say it is What is the one esh relationship that was designed by God When two enter a Covenant the identity of each party enters the other This produces a bond of shared identity between the two and alters the nature of each what God has joined together God s instructions are logical consequences of these realities We love the other as we love ourselves because the other is now part of us Our hearts want to love but we do not love consistently Why Because our guidance system our old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God s plan and building this new life is the path to the best Marriage

**A Biblical Guide to Love, Sex and Marriage** Derek Thomas,Rosemary Thomas,2007 This book is about marriage and its relationships based on the Song of Solomon Interpreting this book of the Bible has been a controversial issue for many years First it is a book about love marriage and sex It is thoroughly immersed in the goodness of the created order Second in teaching us about intimate relationships in marriage it helps us understand how marital union reflects Christs relationship to the church corporately and the believer individually Thirdly the Song of Solomon is Gods inerrant Word It is breathed out by God and profitable for teaching for reproof for correction and for training in righteousness that the man of God may be adequate equipped for every good work 2 Tim 3 16 17 We cannot keep this issue buried beneath the surface but hovering over everything we understand of the Song Being persuaded of its divine authorship and sanctifying intent should keep us from embarrassment on the one hand and sentimentality on the other The Holy Spirit thought it necessary that we be given these love poems to teach and exhort us to love more deeply the one he has provided to share our lives with It is only right therefore that we reciprocate with gratitude for this gift
