And when they saw the golden pieces of the third cake...

Then Goldilocks sat down in the chair of the Biggest Bear, and that was too hard for her. She then she sat down in the chair of the Middle Bear, and that was too soft for her. And then she sat down in the chair of the Smallest Bear, and that was perfect for her! So she ate the porridge, and then she sat on the bottom of the chair, and then she climbed into the bed.

## Goldilocks And The Three Bears

Once upon a time there were three bears, who lived together in a forest, in the middle. One of them was a little, Baby Bear, and one was a middle-sized, Middle Bear, and the other was a large, Big Grumpy Bear. They each had a bowl of porridge, a little bowl for Baby Bear, and a middle-sized bowl for Middle Bear, and a large bowl for Grumpy Bear.

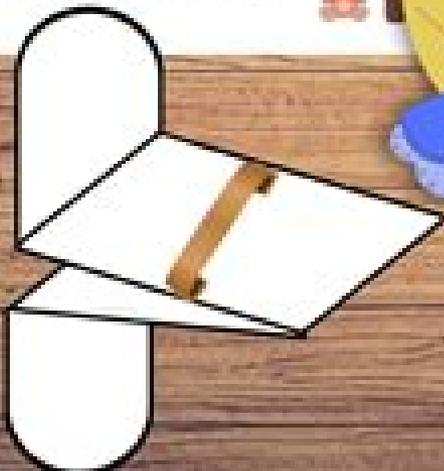

And they each had a chair to sit in, a little chair for Baby Bear, and a middle-sized chair for Middle Bear, and a good big chair for Grumpy Bear. And they each had a bed to sleep in, a little bed for Baby Bear, and a middle-sized bed for Middle Bear, and a good big bed for Grumpy Bear.

One day, after they had made their porridge for breakfast, and passed it over their porridge bowls, the porridge was only hot in the middle, because it was a little too hot, the wood under the porridge bowl.

After they were eating, a little girl called Goldilocks came in the forest. Then she looked in at the window, and then she peeped in at the doorway, and looking nobody in the house, she opened the back of the door. The door was not locked, because the Bears were good Bears, who did nobody any harm, and never suspected that anybody would harm them. So Goldilocks opened the door, and went in quite pleased and happy.

She looked the porridge in the bowls. It did not seem a bit warm, and she tasted it, and she liked it. She looked at the three chairs, and then she peeped in at the doorway, and seeing nobody in the house, she opened the back of the door. The door was not locked, because the Bears were good Bears, who did nobody any harm, and never suspected that anybody would harm them. So Goldilocks opened the door, and went in quite pleased and happy.

But the porridge became cooling, and she sat about looking forward. So first she tasted the porridge of the Big Grumpy Bear, and that was too hot for her. And then she tasted the porridge of the Middle Bear, and that was just right for her. And then she tasted the porridge of the Smallest Bear, and that was too soft for her. So she ate the porridge, and then she sat on the bottom of the chair, and then she climbed into the bed.
