

# HOW TO ANSWER THE MOST COMMON INTERVIEW QUESTIONS

## 1. PLEASE COULD YOU TELL ME A LITTLE BIT ABOUT YOURSELF?

In this case, the interviewer is looking to discover what about you would make a good fit for the job you are applying for and how you would work within the business. In answer to this question, you should keep your answers brief yet to the point. For example, you might say something like 'I am a driven person and I have proven this in my previous role, as you can see on my resume, my determination earned me a promotion twice within my first year.' You may then go on to talk about personal experiences within your career and private life which have some relation to the job you are looking to do.

## 2. WHAT IS THE REASON FOR LEAVING YOUR PREVIOUS JOB?

In short, the prospective employer is looking to find out whether or not you were fired or left for an unreasonable reason. You should be honest but avoid saying anything that may reflect badly on you. If the situation becomes uncomfortable, you can divert the subject to your achievements.

## 3. WHAT SALARY ARE YOU EXPECTING FROM THIS POSITION?

No employer wants to hear that you are expecting more than is usual for the job role but they also won't want you to aim lower than average as this shows that you don't have ambition. The best way to answer this question is to say that it is negotiable. If you are in any doubt as to what is reasonable, it is important to research the salaries of other people in this role.

## 4. WHAT GOALS AND AMBITIONS DO YOU HAVE FOR THE FUTURE?

This question may also come in other wordings such as "Where do you see yourself five years from now?" But in essence, the answer should be the same, and that is to explain what you hope to have achieved within your career and in particular the role you are applying for. Talk about improving your skills and learning new ones and explain how you plan to reach any goals you have stated.

## 5. WHY ARE YOU THE BEST CANDIDATE FOR THIS POSITION?

This is where you need to sell yourself. Don't be shy and ensure that you mention anything that makes you stand out from the crowd after all this is your chance to show what an asset you will be to the company.

## 6. WHAT IS YOUR MAIN WEAKNESS?

This is somewhat of a trick question and should be approached with caution. You should never say that you have no weaknesses as this is impossible for any human being but instead, you should demonstrate how you overcome your weakness and turn it into a positive.

## 7. WHAT CAN YOU TELL ME ABOUT (COMPANY NAME)?

Many job interviewers will ask you to tell them about the company that you are interviewing with and it is a common mistake when people do not do their research. If you appear to not know a lot about the company, it is going to come across as you not being bothered whether you work for them or not. A good knowledge of the company can be very impressive and can often secure a position.

## **Great Answers To Interview Questions For Principals:**

*The Successful Principal* Robert Cunard, 2017-07-21 The Successful Principal takes its reader through the arc of the principalship beginning with teaching moving on to promotion to the administrative office and how to achieve it describing how to go about entry planning going into depth about the challenges and opportunities the principal faces in leading a school and moving into a focus on how to thrive as a principal while growing the skills of others This is a book designed to give principals advice on how to do the job well The book is buttressed by research where appropriate and it pays particular attention to the principal's basic conundrum which is this while he/she is arguably the face and leader of the school he/she is often the person with the least actual power in the system The book takes a realistic look at the principal's power opportunities and structural and political limitations and then teaches its readers how successful principals find a way forward in spite of those challenges

*From Good Schools to Great Schools* Susan P. Gray, William A. Streshly, 2008-02 Make the leap from ordinary to stellar school leadership What can I do to make a difference and lift my school to excellence Principals will find answers to this question and other critical leadership issues in this comprehensive resource which examines how to apply lessons from the private sector to public education The authors provide templates implementation tips and additional resources and help school leaders discover nine essential characteristics of high performing Level 5 leaders through In depth discussions and case studies of star principals A comparison of principals and corporate leaders including qualities exclusive to school leadership Reflection questions for more effective application of leadership principles

*How to be a Transformative Principal* Jethro Jones, 2022-03-25 Being a principal requires you to serve many different people The job can feel overwhelming But it does not need to feel that way Because many principals have already figured out what works and how to be great This book is the culmination of over 400 interviews the author conducted on his Transformative Principal Podcast and these interviews hold the key to finding success as a principal a principal that is not just trying to lead a school but making lasting change that will make their school better for their students With insight from some of the greatest minds in education and some of the best principals that nobody has ever heard of Jones distills the secrets to success into small action steps you can take to make your school amazing Jones relates stories of great success horrific failures and everything in between The book is structured to help you focus on one area in each month for a school year Truly you can start anywhere and work on that piece in that month Further each chapter has activities to help you make improvements in each area Whether you are a brand new principal or working in your 32nd year in a school this book will help you improve your leadership

[What Successful Teachers Do](#) Mary C. Clement, 2018-06-05 Teachers who read A Dozen Things will be engaged with the personal stories of teaching while also gaining strategies for success in their classrooms A quick glance at the table of contents provides insight into the issues teachers face and how to thrive and succeed Successful teachers prepare personally and professionally for their jobs Strong teachers organize and manage a classroom while planning to use

a variety of effective teaching methods and strategies Both new and veteran teachers use technology to their advantage and know when to just use paper and pencil to teach Successful teachers master how to assess student work with straightforward usable evaluations and not just the standardized tests While striving to meet the needs of all students effective teachers communicate with all stakeholders especially the students How do teachers keep their jobs from taking over their lives They recognize that teaching is too difficult a job to do alone and too important a job to do alone They find strong colleagues for mentors and for local support networks They join professional associations to stay current in their fields and to have a larger support network This book leads teachers to reflect in a practical way about teaching and their success Teachers need to remember why they entered this profession and to develop a simple philosophy for why they get up each morning to do the important work of teaching

The Top Books of the Year Great Answers To Interview Questions For Principals The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Great Answers To Interview Questions For Principals : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Great Answers To Interview Questions For Principals : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Great Answers To Interview Questions For Principals : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
