Empathy in Expression

Text for Language Activities

I used to think the teacher, our neighbour, was rude because he never smiled or waved when I passed him. One afternoon, while I was helping my mother with my groceries, he stopped to lift a heavy bag for her. The address on the bag said that he only had several bags only a month before. The address on his bag said more than any words could. Since then, I greet him differently – not just with a hello, but from understanding. Sometimes I actually begin with a hello, a smile, and a simple act of care.
