Immerse yourself in the day-to-day activities and concerns of a food establishment: sources and receiving of food, food service, cleaning, and sanitizing facility and equipment, and pest control. Learn to comply with all regulations and inspections, how to plan for a crisis, and train staff. Reinforce your learning with the included chapter videos and take the practice exam as many times as you need to. End of Chapter Quizzes: Take a fun interactive quiz at the end of every chapter at any time. The quizzes are ten questions each and untimed, so you have time to think. Click the review quiz button to immediately see how your answers compare to the correct ones. Click to get a detailed report with your score, the time it took you to take the quiz, and a list of questions marked correct or incorrect. These short, enjoyable quizzes help anchor the information in your memory to make it easy for you to transfer what you learn to your job in the food service industry and to obtain your food protection manager certification. They also help identify gaps in your knowledge that you can then review in the Handbook or the included chapter videos.

With or without closed captioning, you can pause, rewind, take notes, and absorb the information at your convenience. These videos fit with any learning style and any schedule.
