

STEP 11

Add the Lower Enclosure poles (Q) to the frame holes that are above each Leg Pole (E - L). The Lower Enclosure Poles (Q) will have a push-pin hole on each end of the pole for the corresponding enclosure hole socket.

STEP 12

Attach the pad (U & T) to the trampoline by velcro-ing each corner piece together as pictured. You will have to wrap the pad with cut-out holes around the already installed Lower Enclosure Poles (Q).

Note that the Horizon trampoline pad is reversible, so you are welcome to switch to a red pad instead of a black pad.
