Signs of the Literary Times William O'Rourke, 1993-11-18 This book is O'Rourke's first volume of nonfiction since his 1972 *The Harrisburg 7* and the *New Catholic Left* which Garry Wills hailed as a clinical x-ray of our society's condition That book prompted Herbert Mitgang to name O'Rourke one of the finest writers of his generation *Signs of the Literary Times* provides new evidence for that assessment It brings together O'Rourke's unique mixture of literary political and cultural criticism published periodically during the last twenty two years The collection ranges from autobiographical essays describing his generation's literary evolution to articles on free speech issues such as nude dancing and the Bush era NEA controversies as well as book reviews that provide a fresh and largely uncharted critical map of the period O'Rourke is not only interested in genre bending and expansion but in persevering during this age of academic specialization as in his phrase a person of letters In the two decades between his first work of nonfiction and this volume O'Rourke has published three highly acclaimed novels *The Meekness of Isaac* 1974 *Idle Hands* 1981 and *Criminal Tendencies* 1987 Of the last *The Virginia Quarterly Review* wrote Of all the novelists paraded in recent years by publishers as natural successors to Graham Greene this one comes the closest A thoroughly entertaining literary event *Signs of the Literary Times* is not so much a compendium of diverse pieces on various subjects as it is a cogent and continuing x-ray of our society's condition
