Coghlan, 1832 Handbook of Women Biblical Interpreters Marion Ann Taylor, Agness Choi, 2012-10-01 Word Guild 2012 Canadian Christian Writing Award Honorable Mention The Grace Irwin Prize 2013 2012 Book of the Year Award Foreword Magazine The history of women interpreters of the Bible is a neglected area of study Marion Taylor presents a one volume reference tool that introduces readers to a wide array of women interpreters of the Bible from the entire history of Christianity Her research has implications for understanding biblical interpretation especially the history of interpretation and influencing contemporary study of women and the Bible Contributions by 130 top scholars introduce foremothers of the faith who address issues of interpretation that continue to be relevant to faith communities today such as women's roles in the church and synagogue and the idea of religious feminism Women's interpretations also raise awareness about differences in the ways women and men may read the Scriptures in light of differences in their life experiences This handbook will prove useful to ministers as well as to students of the Bible who will be inspired provoked and challenged by the women introduced here The volume will also provide a foundation for further detailed research and analysis Interpreters include Elizabeth Rice Achtemeier Saint Birgitta of Sweden Catherine Mumford Booth Anne Bradstreet Catherine of Siena Clare of Assisi Egeria Elizabeth I Hildegard Julian of Norwich Thérèse of Lisieux Marcella Henrietta C. Mears Florence Nightingale Phoebe Palmer Faltonia Betitia Proba Pandita Ramabai Christina Georgina Rossetti Dorothy Leigh Sayers Elizabeth Cady Stanton Harriet Beecher Stowe St Teresa of Avila Sojourner Truth and Susanna Wesley **An Analysis of the Book of Hebrews** Gilbert H. Edwards, 2013-07 After the superiority of the new covenant has thus been established the writer dwells on the obligations which it lays on those who have received it If God's servants in ancient days lived by faith a far stronger and more living faith is now required of Christians 11 If the Law imposed a solemn responsibility this is true in a far higher degree of those who profess the religion of Christ 12 With a few practical admonitions the Epistle closes 13 In writing to Hebrew Christians it is natural that the author of Hebrews would form a common ground by declaring the fact of divine revelation and by recognizing Judaism as the fruit of such Furthermore it is to be expected that in keeping with his thesis he would point beyond that which was good to something which is better If Judaism was the result of a good revelation Christianity is the fruit of a better one **The Holy Bible, In the Authorized Version: unnumbered Genesis and Exodus**, 1864 Genesis Joseph Samuel Exell, 18??

enables the preacher to utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological trajectory of the Pastoral Epistles concerns the promotion of God s economy by the community of God s people The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application
