*Starting Out With App Inventor for Android, Global Edition* Tony Gaddis, Rebecca Halsey, 2015-09-14

In *Starting Out with App Inventor for Android* Tony Gaddis and Rebecca Halsey teach the fundamentals of programming while simultaneously showing students how to create fun useful and imaginative apps. Because App Inventor allows students to create apps and see them running on a phone programming becomes a personally meaningful skill. Gaddis's highly accessible step by step presentation presents all the details needed to understand the how and the why but never loses sight of the fact that most novice programmers struggle with this material. His gradual approach ensures that readers understand the logic behind developing high quality programs. The full text downloaded to your computer.
