Alabama, the "Yellowhammer State," is one of 12 states located in the Southeast region of the United States. The yellowhammer is Alabama's state bird, but historians cannot agree on why Alabama is called the "Yellowhammer State."

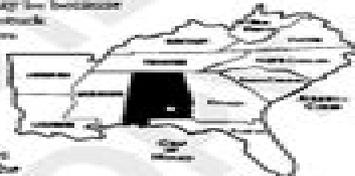

Some think it may be because Confederate soldiers stuck yellowhammer feathers in their caps during the Civil War.

Others believe it was because the soldiers' uniforms were yellowish in color.

Other nicknames for Alabama include the Cotton Plantation State, the Camellia (oh-NEE-ryoh) State, and the Lined State. More recently, Alabama has also been known as the Heart of Dixie. This is because Alabama sits right in the center of the Southern region.

## MONTGOMERY

The third largest city and capital of Alabama is Montgomery. Montgomery holds an important place in the history of our country. In 1865, the government for the Confederate States of America was formed in Montgomery. Montgomery served as the capital of the Confederacy at the beginning of the Civil War.
