

## Sample Father's Day Letter from Daughter

Dearest Dad,

Wishing you a very Happy Father's Day.

I may not have said it ever but I want to tell you this that you are the most amazing father a daughter can have and I find myself the most blessed one to have you in my life.

You have always stood by me through all the good and bad times. You have been the support I had always needed when I was down. You have been my guiding star who has always taught me the right thing to do. You have been my hero who has always inspired me and without you, I cannot imagine my life.

Today, I am a successful person because I have a dad who believed in me and my dreams. You have always taught me to dream and motivated to achieve my dreams. You have always infused me with positivity and high spirits. Whatever I know today, you are the reason behind it.

I have grown up listening to your advices and entertaining you with my jokes and the best thing is that you have never complained. You have always been so patient with my stupid stories and senseless talks and I think that's what makes you extra special because each day, you have made me feel special. You have given me so much time that I have not seen even the best of the dads giving their kids.

Dad, I love to the moon and back and I just want to be your princess and nothing more because that makes me the happiest. On this special occasion, I want to promise you that no matter how life changes, you will always find me by your side because I can stay without anything but I cannot imagine my life without you.

Love,

Ramona
