Wood,2006-08-08 A MESSAGE TO TEACHERS AND PARENTS I am a reader When I was very young I was fortunate to have a wonderful primary teacher who recognized the reader in me and fed it with an unending stream of books Though she is worthy of much more this first book is dedicated to her There was a delightful little library on Main Street in Salem Virginia It was quaint and inviting in its park like setting and I was privileged to spend many hours there I remember though that the books did not jump off the shelves at me Sometimes they sat there and put up a passive resistance almost as if they were the enemy of my desire to read Still I persevered and I found good books to enjoy But I was motivated to read What of the student who is not so motivated who can take reading or leave it to spend time in other ways Would we have that student spend time in those other ways never to learn the joy of reading a good story or to experience the thrill of becoming lost in a good book I hope not without a fight So that is what Nightmare at Indian Cave is about The title is chosen to jump off the shelf at the student The book is deliberately short I hope it will not intimidate even the most reluctant reader The chapters are not overly long and hopefully they will keep the reader's attention The subject matter should interest kids especially those from the mountains and rural settings The vocabulary is not difficult though it is not without the occasional challenge Dialogue is used extensively in the belief that it has a power to involve the reader One university English professor called the book a real page turner I considered that a great compliment because that is exactly what I intended the book to be I only hope he was right but I won't know until the book is in your student's hands Though this book is a fantasy and is a fiction in every respect I made some effort to be true to history Daniel Boone is known to have been in what is now Scott County Virginia at about this time Benne was not He came along a few years later Our Benne is the product of a boy's nightmare and though he may be based on the legend of Chief Robert Benne he is fictional The real Benne was probably
