

F53 Solution Overview

F53 Multi-Cassette Media Dispenser

With over 30-years' experience in designing and building media dispensing devices of legendary quality, Fujitsu has expanded the family of products available to its OEM sales channel to meet the needs of a greater number of applications.

Step up to the best-in-class bill dispenser designed exclusively for the OEM market. With over 80,000 units installed in self-checkout, kiosks and ATMs, the Fujitsu F53 bill dispenser is in a league by itself. Four of the top five self-checkout providers in the world have chosen to deploy the F53 bill dispenser. Why- its legendary Fujitsu reliability and flexibility.

The F53 offers many features usually found only on more expensive units. It can be configured to be serviced from the front or rear making installation and integration by OEMs a snap. And with multiple delivery options like semi-bunch, tray, bulk transports, and custom transports, it allows deployers to customize and differentiate their cash delivery programs.

The F53 can hold its own when it comes to capacity.

It has the ability to be configured with 2-6 cassettes. Each cassette is capable of holding up to 500 new notes or other media. In addition, to provide an added measure of security, the cassettes can be configured with locks so they can be transported securely and safely by your IT companies.

Each cassette can be adjusted to support a variety of media sizes enabling you to use the same dispenser for domestic and international currency. The F53 is capable of dispensing mixed new and teller fit and mixed paper and polymer notes out of the same cassette.

Other high-end features on the F53 include bill low and denomination sensors to ensure that you have cash at peak times and dispensing the correct denomination to your customers. In addition, the sensors on the F53 can alert your customers or service organization when they need to be replaced before they fail and cost you down time.

So whether your applications include ATMs, self-checkout, kiosks, bill payment or bill changing, the F53 offers you cost-efficient bill dispensing with high-end features.
