Gass,Jennifer Behney,Luke Plonsky,2020-05-28 Now in a fifth edition this bestselling introductory textbook remains the cornerstone volume for the study of second language acquisition SLA Its chapters have been fully updated and reorganized where appropriate to provide a comprehensive yet accessible overview of the field and its related disciplines In order to reflect current developments new sections and expanded discussions have been added The fifth edition of Second Language Acquisition retains the features that students found useful in previous editions This edition provides pedagogical tools that encourage students to reflect upon the experiences of second language learners As with previous editions discussion questions and problems at the end of each chapter help students apply their knowledge and a glossary defines and reinforces must know terminology This clearly written comprehensive and current textbook by Susan Gass Jennifer Behney and Luke Plonsky is the ideal textbook for an introductory SLA course in second language studies
