## The Declaration of Independence Answer Key

**Directions:** Read the *Declaration of Independence* as well as characteristics of *Rationalism*, and then answer each of the questions in complete sentences.

1. What does Jefferson explain in the first paragraph of the Declaration of Independence?

*Jefferson explains that it is time that colonists separate themselves politically from their mother country (England) because its ruler (King George III) has deprived them of their G-d-given rights.*

2. What truths does Jefferson consider to be self-evident? Be specific. Why were Jefferson's words a *paradox*?

*Jefferson writes that "all men are created equal and are endowed by our creator with inalienable rights."*

*The statement is a paradox because not all colonists are free, and, in fact, Jefferson owns slaves.*

3. What is the *denotation* of inalienable rights? What does Jefferson explain are inalienable rights?

*Inalienable rights are rights that are absolute, unchallengeable, or undeniable. They are rights that are assured or promised.*

*Jefferson explains that inalienable rights are those of "life, liberty, and the pursuit of happiness."*

4. According to this document, when is it okay to rebel against a government?

*It is okay to rebel against a government when its leaders don't protect natural rights that are guaranteed to its citizens.*
