undesirable class who had better be got rid of On close inspection of the manu script however it will be seen that the disorderly persons enum erated generally fainted by the wayside and rarely succeeded in getting across The great bulk of those listed went with permission though reluctantly given which implies a certificate of good character from the pastor when the contrary is not expressly stated About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
