

# Characteristics of Literary Journalism

- immersion reporting, complicated structures, character development, symbolism, voice, a focus on ordinary people ... and accuracy.
- Literary journalists immerse themselves in subjects' worlds...
- Literary journalists work out implicit covenants about accuracy and candor...
- Literary journalists write mostly about routine events.
- Literary journalists develop meaning by building upon the readers' sequential reactions.
- Literary journalists have adhered to the rules of accuracy--or mostly so--precisely because their work cannot be labeled as journalism if details and characters are imaginary.
