Literary Journalism Studies:

Literary journalism in an international context International Conference for Literary Journalism Studies, 2007

True Stories Norman Sims, Medill School of Journalism, 2007 Journalism in the twentieth century was marked by the rise of literary journalism Sims traces more than a century of its history examining the cultural connections competing journalistic schools of thought and innovative writers that have given literary journalism its power Seminal examples of the genre provide ample context and background for the study of this style of journalism

Literary Journalism and Social Justice Robert Alexander, Willa McDonald, 2022-08-04 This book examines the prominent place a commitment to social justice and equity has occupied in the global history of literary journalism With international case studies it explores and theorizes the way literary journalists have addressed inequality and its consequences in their practice In the process this volume focuses on the critical attitude the writers of this genre bring to their stories the immersive reporting they use to gain detailed and intimate knowledge of their subjects and the array of innovative rhetorical strategies through which they represent those encounters The contributors explain how these strategies encourage readers to respond to injustices of class race indigeneity gender mobility and access to knowledge Together they make the case that throughout its history literary journalism has proven uniquely well adapted to fusing facts with feeling in a way which makes it a compelling force for social change

The Routledge Companion to American Literary Journalism William Dow, Roberta Maguire, 2019-11-13 Taking a thematic approach this new companion provides an interdisciplinary cross cultural and international study of American literary journalism From the work of Frederick Douglass and Walt Whitman to that of Joan Didion and Dorothy Parker literary journalism is a genre that both reveals and shapes American history and identity This volume not only calls attention to literary journalism as a distinctive genre but also provides a critical foundation for future scholarship It brings together cutting edge research from literary journalism scholars examining historical perspectives themes venues and genres across time theoretical approaches and disciplinary intersections and new directions for scholarly inquiry Provoking reconsideration and inquiry while providing new historical interpretations this companion recognizes interacts with and honors the tradition and legacies of American literary journalism scholarship Engaging the work of disciplines such as sociology anthropology African American studies gender studies visual studies media studies and American studies in addition to journalism and literary studies this book is perfect for students and scholars of those disciplines

Insights on Literary Journalism Kevin M. Lerner, 2024-12-30 Bringing together ten chapters by some of the most important scholars of literary journalism around the world this book covers a range of topics that are key to understanding the role of literary journalism as both a practice and a topic of academic study Beginning with an introduction that situates literary journalism in its historical context the chapters go on to address the basic definitional problem of literary journalism the rhetorical strategies of literary journalists the negotiated roles of subjects and storytellers gender geography the role of literary journalism in fostering the public

imagination and the role of literary journalism in education The chapters draw on contemporary and relatable case studies which help readers link broader themes with their practical applications This volume concludes with an Afterword by Bill Reynolds editor of *Literary Journalism Studies* which reflects on the preceding chapters and critically on the direction in which the field is heading in the near future *Insights on Literary Journalism* is highly recommended reading for advanced scholars and researchers of *Literary Journalism* as well as *Literature and Media History* *Global Literary Journalism*, 2012

Bak, Bill Reynolds, 2022-12-30 This cutting edge research companion addresses our current understanding of literary journalism's global scope and evolution offering an immersive study of how different nations have experimented with and perfected the narrative journalistic form genre over time The Routledge Companion to World Literary Journalism demonstrates the genre's rich genealogy and global impact through a comprehensive study of its many traditions including the *crónica* the *ocherko* reportage the New Journalism the New New Journalism *Jornalismo literário* *periodismo narrativo* *baogao wenxue* creative nonfiction *Literarischer Journalismus* *As SaHafa al Adabiyya* and literary nonfiction Contributions from a diverse range of established and emerging scholars explore key issues such as the current role of literary journalism in countries radically affected by the print media crisis and the potential future of literary journalism both as a centerpiece to print media writ large and as an academic discipline universally recognized around the world The book also discusses literary journalism's responses to war immigration and censorship its many female and Indigenous authors and its digital footprints on the internet This extensive and authoritative collection is a vital resource for academics and researchers in literary journalism studies as well as in journalism studies and literature in general Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Undeclared War between Journalism and Fiction D. Underwood, 2013-09-25 In this volume Doug Underwood asks whether much of what is now called literary journalism is in fact literary and whether it should rank with the great novels by such journalist literary figures as Twain Cather and Hemingway who believed that fiction was the better place for a realistic writer to express the important truths of life

The Journalistic Imagination Richard Keeble, Sharon Wheeler, 2007-09-14 With an international focus and a broad historical scope this student friendly book focuses on the neglected journalism of writers more famous for their novels or plays and explores the specific functions of journalism within the public sphere and the literary qualities of journalism

Journalism and Realism Thomas B. Connery, 2011-07-30 A paradigm of actuality Searching for the real and actual Stirrings and roots urban sketches and America's flaneur The storytellers Picturing the present Carving out the real Experiments in reality Documenting time and place

From Transatlantic to Global Alice Trindade, Isabel Soares, 2026-04-03 This book explores a long standing of literary journalism form written in Portuguese and Spanish around the Atlantic triangle of Africa Latin America and Europe the *crónica* World literary journalism provides audiences and researchers with a wide scope of texts from multiple origins and diverse cultural and language contexts thus expanding the range of corpus identified for academic study *Crónica* written in two global languages that together form a community of roughly 730 million native speakers across Africa Latin America and Europe allows audiences to partake in the lives and struggles of journalists and their fellow citizens in both the Global North

and the Global South While these cultures share two European languages and a journalistic genre tradition they also update and adapt it to their own contemporary realities and issues This book aims to introduce academic and general audiences to an under researched instance of literary journalism how it is shared and intersected by multiple cultures and how ultimately it is kept distinct from other literary journalism products *Becoming the News* Ruth Palmer,2017-12-05 What does it feel like to be featured quoted or just named in a news story A refugee family the survivor of a shooting a primary voter in Iowa the views and experiences of ordinary people are an important component of journalism While much has been written about how journalists work and gather stories what do we discover about the practice of journalism and attitudes about the media by focusing on the experiences of the subjects themselves In *Becoming the News* Ruth Palmer argues that understanding the motivations and experiences of those who have been featured in news stories voluntarily or not sheds new light on the practice of journalism and the importance many continue to place on the role of the mainstream media Based on dozens of interviews with news subjects *Becoming the News* studies how ordinary people make sense of their experience as media subjects Palmer charts the arc of the experience of making the news from the events that brought an ordinary person to journalists attention through the decision to cooperate with reporters interactions with journalists and reactions to the news coverage and its aftermath She explores what motivates someone to talk to the press whether they consider the potential risks the power dynamics between a journalist and their subject their expectations about the motivations of journalists and the influence of social media on their decisions and reception Pointing to the ways traditional news organizations both continue to hold on to and are losing their authority *Becoming the News* has important implications for how we think about the production and consumption of news at a time when Americans distrust the news media more than ever [The Literary Journalist as a Naturalist](#) Pablo Calvi,2024-11-09 This book is a scholarly anthology that proposes a deep discussion about the multiple ways in which narrative journalism has portrayed nature human interactions with nature the global actions and the consequences of activities that have either attempted to explore it exploit it harness it dominate it and protect it This essay collection offers an academic framework for literary journalistic narratives about nature and includes the study of long form journalism originated in different corners of the world all exploring human non human nature interactions in all their power finitude peril and urgency [Literary Journalism and Africa's Wars](#) ,2019-03-07 This collection of essays explores ways in which early and late examples of literary journalism from England France Spain Portugal and the United States interpolate the aesthetics of war reporting on various fronts and at divergent times in Africa s history both reproducing and deconstructing the widespread colonial discourse that lies behind nearly every war campaign coup assassination and pogrom that has scarred the continent over the past century Although often a product of that colonial discourse the literary journalism examined in this collection was motivated at least in part by the desire to expose the power imbalances that upheld it Among the primary sources included in this volume are texts by Henry Morton Stanley Ram n J Sender Martinho

Sim es Frederick Forsyth Kurt Vonnegut Ryszard Kapuscinski Philip Gourevitch Jean Hatzfeld and a host of foreign correspondents from Le Monde Incorporating a wide range of international critical perspectives this book assesses the impact literary journalism has had on various nations literary war reporting emanating from colonialist and postcolonialist conflicts and how those stories might help to reconfigure certain historical legacies journalistic heuristics and literary representations of Africa in the 21st century By presenting excerpts from several primary sources alongside a contextual gloss and a scholarly essay the collection highlights the varied effects produced when literary techniques were fused with factual war reporting
