WAEC LITERATURE-IN-ENGLISH 2022 QUESTIONS AND ANSWERS

CHAPTER ONE

APPROACHES TO ANSWERING LIT-IN-ENGLISH QUESTIONS IN WAEC AND NECO

1. Make sure you read the real texts and poems very well to have in-depth knowledge of all the texts and the poems. Do not rely on the summary or short notes.
2. Make sure you understand the poems stanza by stanza.
3. Literature-in-English is not to be answered like History where you are expected to narrate stories. In Literature-in-English, you go straight to the points, with reference to the texts or poems.
4. Make sure you know the number of questions you are to answer from each section and papers.
5. If you are asked to compare, e.g. Compare the characters of Lakunle and Baroka in *The Lion and the Jewel*, you are expected to write on the differences and the similarities in the characters of Lakunle and Baroka. A candidate that writes on only the differences or similarities shall be under-marked, because it is a two in one question.
6. If you are asked to bring out the Contrast or explain the use of contrast, e.g. Explain the use of Contrast in *Caged Bird*. You are expected to write on the differences only.
7. On poems; any question on the Language of a poem is asking you to write on the figures of speech and other literary devices used in the poem to bring out the subject matter. It is not enough to say that the language used in a poem is simple or complex, what makes it simple or complex is the usage of figurative expression that you are expected to identify.
8. On Character sketches or writing on characters in Literature-in-English, you have to bear three things in mind; what the writer says about the character, what other characters say about the character you are writing about, what you feel personally about that character while reading the text.
9. It is necessary to quote from the texts to prove to the examiner that you have a deep knowledge of the text. Meanwhile, your quotation should be right because you shall be penalized for wrong quotation. It is better not to quote than quoting something wrongly.
10. In answering questions that require points, make sure you write at least 5 well developed points, especially in **WAEC** to earn credit marks.
