Who's who and why in After-war Education, 1921 The Tablet, 2003 The international Catholic weekly **Civic Education for Diverse Citizens in Global Times** Beth C. Rubin, James M. Giarelli, 2013-10-11 This book explores four interrelated themes rethinking civic education in light of the diversity of U S society re examining these notions in an increasingly interconnected global context re considering the ways that civic education is researched and practiced and taking stock of where we are currently through use of an historical understanding of civic education There is a gap between theory and practice in social studies education while social studies researchers call for teachers to nurture skills of analysis decision making and participatory citizenship students in social studies classrooms are often found participating in passive tasks e g quiz and test taking worksheet completion listening to lectures rather than engaging critically with the curriculum Civic Education for Diverse Citizens in Global Times directed at students researchers and practitioners of social studies education seeks to engage this divide by offering a collection of work that puts practice at the center of research and theory

Becoming Active Citizens Tom Driscoll, Shawn W. McClusker, 2022-05-24 Reimagine civic education This innovative resource provides practical strategies and technological resources for creating authentic engaging learning experiences that empower students to participate in civic discourse and action It examines the current reality of civic education in the United States and other democracies identifies why change is necessary and guides readers on how to spark interest and build skills for participating in a democratic society K 12 educators and leaders will Learn how to transform civic education to prepare students to become active and engaged citizens Discover how to weave civic instruction across the curriculum to create authentic interdisciplinary projects Explore games and other activities that enhance student engagement and understanding of civics Receive lesson examples of effective civic instruction for various grade levels and subject areas Understand how to create opportunities for teaching democratic values through productive civil discourse Contents Introduction Part I Civic Education in 2022 Chapter 1 Civic Education in 2022 Chapter 2 What Works in Civic Education Part II Modern Civic Education in Action Chapter 3 The Power of Action Civics and Authentic Experiences Chapter 4 Engagement in Civil Discourse Chapter 5 News Media Literacy for Combating Misinformation Chapter 6 Engagement Through Games Simulations and Competitions Part III Civics Lessons Across Subject Areas Chapter 7 Civics Lessons for English Language Arts and Social Studies Chapter 8 Civics Lessons for Science and Mathematics Chapter 9 Interdisciplinary Civics Experiences Epilogue References and Resources Index **Foundations of Democracy** Center for Civic Education, Calabasas, CA., 1993

Introduces students to the four ideas which are basic to our constitutional form of government authority privacy responsibility and justice **Civic Education** Richard G. Niemi, Jane Junn, 2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining

the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what America s high school seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching

No Reluctant Citizens Jeremiah Clabough, Timothy Lintner, 2018-07-11 This book helps social studies teachers reinforce civic education through hands on participatory activities It covers topics like civic literacy human rights service learning and controversial issues providing K 12 students with the tools to become civically engaged

Civic Education in the Elementary Grades Dana Mitra, Stephanie C. Serriere, 2015-10-16 Based on a 5 year study of an elementary school with socioeconomic diversity the authors provide an active model of civic engagement organized into three settings Classroom School and Community Each chapter includes an overview of what research has demonstrated about civic engagement in that particular space offers detailed descriptions of activities and closes with lessons for practice This case study demonstrates how putting civics at the center of the curriculum gives purpose and motivation to traditional academic learning including tested subjects such as reading writing and mathematics As former elementary school teachers the authors focus on what is possible in schools rather than a romantic vision of what schools could be Classroom teachers school principals community members and teacher educators can use this resource to foster a deeper richer understanding of what is entailed in civic life
